#### 4. First aid measures

#### 4.1 Description of first aid measures

| •            |  |
|--------------|--|
| Skin contact | Wash immediately with plenty of soap and water.  |
| Eye contact  | Bathe the eye with running water for 15 minutes. |
| Ingestion    | Wash out mouth with water.                       |
| Inhalation   | Consult a doctor.                                |

### Safety Data Sheet

www.glentham.com

#### 8.2 Exposure controls

| Engineering measures   | No data available.                                  |
|------------------------|---|
| Respiratory protection | Respiratory protective device with particle filter. |
| Hand protection        | Protective gloves.                                  |
| Eye protection         | Ensure eye bath is to hand. Safety glasses.         |
| Skin protection        | Protective clothing.                                |

#### 9. Physical and chemical properties

#### 9.1 Information on basic physical and chemical properties

| Physical state                                    | Solid              |
|---|--------------------|
| Colour  | White              |
| Odour   | No data available. |
| Melting point/Freezing point                      | 285.5 °C (decomp)  |
| Boiling point/initial boiling point/boiling range | No data available. |
| Flammability                                      | No data available. |
| Lower/Upper explosion limit                       | No data available. |
| Flash Point                                       | No data available. |
| Auto-ignition temperature                         | No data available. |
| Decomposition temperature                         | No data available. |
| рН  | No data available. |
| Kinematic viscosity                               | No data available. |
| Solubility  | 34 g/L @ 25 °C     |
| Partition coefficient n-octanol/water             | No data available. |
| Vapour pressure                                   | No data available. |
| Density/relative density                          | No data available. |
| Relative vapour pressure                          | No data available. |
| Particle characteristics                          | No data available. |
|   |                    |

#### 9.2 Other information

No data available.

#### 10. Stability and reactivity

#### <sup>10.1</sup> Reactivity

Stable under recommended transport or storage conditions.

#### 10.2 Chemical stability

Stable under normal conditions.

#### <sup>10.3</sup> Possibility of hazardous reactions

#### Hazardous reactions

Decomposition may occur on exposure to conditions or materials listed below. Hazardous reactions will not occur under normal transport or storage conditions.

#### <sup>10.4</sup> Conditions to avoid

Heat.

### <sup>10.5</sup> Incompatible materials

Materials to avoid

Strong acids. Strong oxidising agents.

#### 11. Toxicological information

#### 11.1 Information on toxicological effects

a) Acute toxicity No data available.

#### b) Skin corrosion/irritation No data available.

c) Serious eye damage/irritation

### Safety Data Sheet

www.glentham.com

#### 13.1 Waste treatment methods

#### **Disposal operations**

Transfer to a suitable container and arrange for collection by specialised disposal company.

#### NB

The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

#### 14. Transport information

This product does not require a classification for transport.

#### 15. Regulatory information

#### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

This Safety Data Sheet is prepared in accordance with Commission Regulation (EC) 1907/2006, amended by Commission Regulation (EU) 2020/878.

#### Authorisations/Restrictions

| Regulation (EC) 1907/2006, REACH, Annex XIV list of substances subject to<br>authorisation:   | No data available. |
|---|--------------------|
| Regulation (EC) 1907/2006, REACH, Annex XVII restrictions on the manufacture, placing<br>on the market and use of certain dangerous substances: | No data available. |
| Regulation (EC) 1005/2009 on substances that deplete the ozone layer:   | No data available. |
| Regulation (EC) 850/2004 on persistent organic pollutants, amended by (EU) No 2019/1021:  | No data available. |

#### 15.2 Chemical safety assessment

A chemical safety assessment has not been carried out for the substance or the mixture by the supplier.
