

## Product Datasheet

### GP0564 - Rivastigmine

#### Product Details

|                    |                    |
|--------------------|--------------------|
| Product Name       | Rivastigmine       |
| Glenthams Code     | GP0564             |
| CAS Number         | 123441-03-2        |
| PubChem SID        | 310279748          |
| Related Categories | APIs, Biochemicals |

|                           |                                        |
|---------------------------|----------------------------------------|
| Assay                     | : $\geq 98.0\%$                        |
| Specific Optical Rotation | : $-31.0 - -36.0^\circ$ (c=1, ethanol) |
| Version                   | : v1.0                                 |

#### About Rivastigmine

No further details on record.

#### Structure

|                   |                        |
|-------------------|------------------------|
| Molecular Weight  | : 250.34               |
| Molecular Formula | : $C_{14}H_{22}N_2O_2$ |

#### Storage

Recommended storage temperature:  $-20^\circ\text{C}$ .

#### Hazards and Transport

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| CLP Classification         | Aquatic Chronic 2, Acute Tox. 3, Acute Tox. 4, Acute Tox. 4                         |
| Signal Word                | Danger                                                                              |
| Hazard Codes               | H411, H301, H332, H312                                                              |
| Precautionary Codes        | P273, P261, P304+P340, P280, P302+P352, P362+P364                                   |
| Pictograms                 |  |
| UN Number, Class, PG (RID) | UN2810 - 6.1 - PG III                                                               |

#### Glenthams Product Specification

|                      |                                     |
|----------------------|-------------------------------------|
| Physical Description | : Colourless to light-yellow liquid |
| Water (KF)           | : $\leq 1.0\%$                      |
| Identification (IR)  | : To conform to standard            |
