

## Product Datasheet

### GP5409 - Iberverin

Pictograms

#### Product Details

|                    |              |
|--------------------|--------------|
| Product Name       | Iberverin    |
| Glenthams Code     | GP5409       |
| CAS Number         | 505-79-3     |
| EINECS             | 208-020-3    |
| MDL Number         | MFCD00209521 |
| PubChem SID        | 310275108    |
| Related Categories | APIs         |

#### Glenthams Product Specification

|                         |                                      |
|-------------------------|--------------------------------------|
| Physical Description    | : Clear, colourless to yellow liquid |
| Refractive Index (20°C) | : 1.5590 - 1.5660                    |
| Purity (GC)             | : ≥ 98.0%                            |
| Version                 | : v1.0                               |

#### Structure

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Molecular Weight  | : 147.25                                        |
| Molecular Formula | : C <sub>5</sub> H <sub>9</sub> NS <sub>2</sub> |

#### About Iberverin

No further details on record.

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

|                                            |                 |
|--------------------------------------------|-----------------|
| Not classified as dangerous for transport. |                 |
| CLP Classification                         | Acute Tox. 4    |
| Signal Word                                | Warning         |
| Hazard Codes                               | H302            |
| Precautionary Codes                        | P301+P312, P270 |
