

## Product Specification

|                   |                                                   |
|-------------------|---------------------------------------------------|
| Product Name      | Armodafinil                                       |
| Glentham Code     | GP7440                                            |
| CAS Number        | 112111-43-0                                       |
| MDL Number        | MFCD09841055                                      |
| PubChem SID       | 310267028                                         |
| Molecular Weight  | 273.35                                            |
| Molecular Formula | C <sub>15</sub> H <sub>15</sub> NO <sub>2</sub> S |
| Storage Temp.     | +4°C                                              |

| Property                | Specification                      |
|-------------------------|------------------------------------|
| Physical Description    | White to off-white powder or solid |
| Solubility (2% in DMSO) | Clear solution                     |
| Purity (HPLC)           | ≥ 98.0%                            |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2020-06-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
