#### 4. First aid measures

#### 4.1 Description of first aid measures

| Skin contact | Wash immediately with plenty of soap and water.  |
|--------------|--|
| Eye contact  | Bathe the eye with running water for 15 minutes. |
| Ingestion    | Wash out mouth with water.                       |
| Inhalation   | Consult a doctor.                                |

4.2 Most important symptoms and effects, both acute and delayed

GP7497 v2.0

## Safety Data Sheet

www.glentham.com

|     | Skin contact                   | There may be mild irritation at the site of contact.                                 |
|-----|--------------------------------|--|
|     | Eye contact                    | There may be irritation and redness.   |
|     | Ingestion                      | There may be irritation of the throat.   |
|     | Inhalation                     | There may be irritation of the throat with a feeling of tightness in the chest.      |
|     | Delayed / immediate<br>effects | Immediate effects can be expected after short-term exposure.                         |
| 4.3 | Indication of any imm          | nediate medical attention and special treatment needed                               |
|     | Immediate / special treatme    | ent  |
|     | No data available.             |  |
| 5.  | Fire-fighting measure          | 29   |
| 5.1 | Extinguishing media            |  |
|     | Suitable extinguishing         | media for the surrounding fire should be used.                                       |
| 5.2 | Special hazards arisi          | ng from the substance or mixture   |
|     | Exposure hazards               |  |
|     | In combustion emits to         | oxic fumes.  |
| 5.3 | Advice for fire-fighter        | 'S   |
|     | Wear protective clothi         | ing to prevent contact with skin and eyes. Wear self-contained breathing apparatus.  |
| 6.  | Accidental release m           | easures  |
| 6.1 | Personal precautions           | s, protective equipment and emergency procedures                                     |
|     | Personal precautions           |  |
|     | Refer to section 8 of 8        | SDS for personal protection details.   |
| 6.2 | Environmental preca            | utions   |
|     | Do not discharge into          | drains or rivers.  |
| 6.3 | Methods and materia            | I for containment and cleaning up  |
|     | Clean-up procedures            |  |
|     | Wash the spillage site         | e with large amounts of water.   |
| 6.4 | Reference to other se          |  |
|     | Refer to section 8 of S        | SDS.   |
| 7.  | Handling and storage           |  |
| 7.1 | Precautions for safe           | handling   |
|     | Handling requirements          |  |
|     | Avoid the formation of         | r spread of dust in the air.   |
| 7.2 | Conditions for safe s          | torage, including any incompatibilities  |
|     | Storage conditions             |  |
|     | Avoid contact with wa          | ter or humidity. Keep container tightly closed. Store in cool, well ventilated area. |
| 7.3 | Specific end use(s)            |  |
|     | No data available.             |  |
| 8.  | Exposure controls/pe           | ersonal protection   |
| 8.1 | Control parameters             |  |
|     | Workplace exposure limits      |  |
|     | No workplace exposu            | re limit control parameters set  |
| 8.2 | Exposure controls              |  |
|     |                                |  |

| Engineering measures   | No data available.                                  |
|------------------------|---|
| Respiratory protection | Respiratory protective device with particle filter. |
| Hand protection        | Protective gloves.                                  |
| Eye protection         | Ensure eye bath is to hand. Safety glasses.         |
| Skin protection        | Protective clothing.                                |

#### 9. Physical and chemical properties

#### 9.1 Information on basic physical and chemical properties

| Physical state                                    | Solid                                   |
|---|---|
| Colour  | White                                   |
| Odour   | No data available.                      |
| Melting point/Freezing point                      | $238^{\circ}C \rightarrow 240^{\circ}C$ |
| Boiling point/initial boiling point/boiling range | No data available.                      |
| Flammability                                      | No data available.                      |
| Lower/Upper explosion limit                       | No data available.                      |
| Flash Point                                       | No data available.                      |
| Auto-ignition temperature                         | No data available.                      |
| Decomposition temperature                         | No data available.                      |
| рН  | No data available.                      |
| Kinematic viscosity                               | No data available.                      |
| Solubility  | No data available.                      |
| Partition coefficient n-octanol/water             | No data available.                      |
| Vapour pressure                                   | No data available.                      |
| Density/relative density                          | No data available.                      |
| Relative vapour pressure                          | No data available.                      |
| Particle characteristics                          | No data available.                      |

#### 9.2 Other information

No data available.

#### 10. Stability and reactivity

#### <sup>10.1</sup> Reactivity

Stable under recommended transport or storage conditions.

#### 10.2 Chemical stability

Stable under normal conditions.

#### 10.3 Possibility of hazardous reactions

#### Hazardous reactions

Decomposition may occur on exposure to conditions or materials listed below. Hazardous reactions will not occur under normal transport or storage conditions.

#### <sup>10.4</sup> Conditions to avoid

Heat.

#### <sup>10.5</sup> Incompatible materials

Materials to avoid

Strong acids. Strong oxidising agents.

#### 11. Toxicological information

#### 11.1 Information on toxicological effects

#### a) Acute toxicity No data available.

- b) Skin corrosion/irritation No data available.
- c) Serious eye damage/irritation No data available.

#### 15. Regulatory information

#### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

This Safety Data Sheet is prepared in accordance with Commission Regulation (EC) 1907/2006, amended by Commission Regulation (EU) 2020/787.

#### Authorisations/Restrictions

| Regulation (EC) 1907/2006, REACH, Annex XIV list of substances subject to<br>authorisation:  | No data available. |
|--|--------------------|
| Regulation (EC) 1907/2006, REACH, Annex XVII restrictions on the manufacture, placing on the market and use of certain dangerous substances: | No data available. |
| Regulation (EC) 1005/2009 on substances that deplete the ozone layer:  | No data available. |
| Regulation (EC) 850/2004 on persistent organic pollutants, amended by (EU) No 2019/1021:   | No data available. |

#### 15.2 Chemical safety assessment

A chemical safety assessment has not been carried out for the substance or the mixture by the supplier.
