| Inhalation                     |   | e lungs can occur causing<br>cur. There may be vomiting      |                 | milar to those of ingestion. Nausea and |
| Delayed / immediate<br>effects | Immediate effects car   | be expected after short-te                                   | erm exposure    | . Nausea and stomach pain may occur.    |
| dication of any imn            | adiata madical attentior  |  |                 |   |

Do not induce vomiting.

#### 5. Fire-fighting measures

#### 5.1 Extinguishing media

Suitable extinguishing media for the surrounding fire should be used.

#### Special hazards arising from the substance or mixture

#### Exposure hazards

In combustion emits toxic fumes.

#### 5.3 Advice for fire-fighters

Wear protective clothing to prevent contact with skin and eyes. Wear self-contained breathing apparatus.

#### 6. Accidental release measures

#### 6.1 Personal precautions, protective equipment and emergency procedures

#### Personal precautions

Do not create dust. If outside do not approach from downwind. Mark out the contaminated area with signs and prevent access to unauthorised personnel. Refer to section 8 of SDS for personal protection details.

#### 6.2 Environmental precautions

Do not discharge into drains or rivers.

#### 6.3 Methods and material for containment and cleaning up

#### Clean-up procedures

Transfer to a closable, labelled salvage container for disposal by an appropriate method.
