

## Product Specification

|                   |                    |
|-------------------|--------------------|
| Product Name      | Fenretinide        |
| Glentham Code     | GP8861             |
| CAS Number        | 65646-68-6         |
| MDL Number        | MFCD00792674       |
| PubChem SID       | 310273060          |
| Molecular Weight  | 391.55             |
| Molecular Formula | $C_{26}H_{33}NO_2$ |
| Storage Temp.     | -20°C              |

| Property                     | Specification                         |
|------------------------------|---------------------------------------|
| Physical Description         | Yellow to yellow-orange powder        |
| Solubility (2.5% in ethanol) | Clear, pale yellow to orange solution |
| Assay                        | ≥ 98.0%                               |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2019-01-16 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
