1.	Identification of the sub	stance/mixture and of the compa	ny/undertaking				
1.1	Product identifier						
		4-Methoxybiphenyl					
		GT3794 613-37-6					
		210-339-8					
1.2		substance or mixture and uses advised a	againet				
1.2	PC21: Laboratory chemi		iganist				
	-						
1.3	Details of the supplier of the s	-					
	Company name :	Glentham Life Sciences Ltd Unit 5 Leafield Way Corsham SN13 9SW United Kingdom	Telephone Fax Email Web	 : +44 (0) 1225 667 798 : +44 (0) 2033 978 909 : info@glentham.com : www.glentham.com 			
1.4	Emergency telephone number	0		· ····································			
1.4		umber: +44 (0) 1225 667 798 (09.	00 - 17 00 GMT				
		umber: 144 (0) 1223 007 730 (03.					
1.5	REACH						
	A registration number is tonnage does not require	not available for this substance as e a registration or the registration	s the substance of is envisaged for a	or its uses are exempted from registration, the annual a later registration deadline.			
2.	Hazards identification						
2.1	Classification of the substance	e or mixture					
	Classification under CLP						
	This product has no clas	sification under CLP.					
2.2	Label elements						
	Label elements under CLP						
	This product has no labe	el elements.					
2.3	Other hazards PBT						
	This substance is not ide	entified as a PBT substance.					
3.0	Composition/information on ingredients						
3.1	Substances						
		4-Methoxybiphenyl 613-37-6 210-339-8		184.24 C ₁₃ H ₁₂ O			
 4.0	First aid measures						
4.1	Description of first aid measu	res					
	Skin contact						
	Wash immediately with	plenty of soap and water.					
	Eye contact						
	Bathe the eye with runni	ng water for 15 minutes.					
	Ingestion						
	Wash out mouth with wa	ater.					
	Inhalation						
	Consult a doctor.						
4.2	Most important symptoms and Skin contact	d effects, both acute and delayed					
	There may be mild irritation at the site of contact.						
	Eye contact						
	There may be irritation and redness.						
	Ingestion						
	There may be irritation of	of the throat.					

GT3794 v1.0

Safety Data Sheet

www.glentham.com

	Inhalation						
	There may be irritation of the throat with a feeling of tightness in the chest.						
	Delayed / immediate effects						
	Immediate effects can be expected after short-term exposure.						
4.3	Indication of any immediate medical attention and special treatment needed						
4.5	Immediate / special treatment						
	Not applicable.						
5.0	Fire-fighting measures						
5.1	Extinguishing media						
	Suitable extinguishing media for the surrounding fire should be used.						
5.2	Special hazards arising from the substance or mixture						
	Exposure hazards						
	In combustion emits toxic fumes.						
5.3	Advice for fire-fighters						
	Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.						
 6.0	Accidental release measures						
6.1	Personal precautions, protective equipment and emergency procedures						
0.1	Personal precautions						
	Refer to section 8 of SDS for personal protection details.						
6.2	Environmental precautions						
	Do not discharge into drains or rivers.						
6.3	Methods and material for containment and cleaning up						
	Clean-up procedures						
	Wash the spillage site with large amounts of water.						
6.3	Reference to other sections						
	Refer to section 8 of SDS.						
7.0	Handling and storage						
7.1	Precautions for safe handling						
	Handling requirements						
	Avoid the formation or spread of dust in the air.						
7.2	Conditions for safe storage, including any incompatibilities						
	Storage conditions						
	Store in cool, well ventilated area. Keep container tightly closed. Avoid contact with water or humidity.						
7.3	Specific end use(s)						
	No data available.						
8.0	Exposure controls/personal protection						
8.1	Control parameters						
	Workplace exposure limits						
	Not applicable.						
8.2	Exposure controls						
	Engineering measures						
	Not applicable.						
	Respiratory protection						
	Respiratory protective device with particle filter.						
	Hand protection						
	Protective gloves.						
	Eye protection						
	Safety glasses. Ensure eye bath is to hand.						
	Skin protection
