## 9. Physical and chemical properties

## 9.1 Information on basic physical and chemical properties

| Physical state                                    | Liquid             |
|---|--------------------|
| Colour  | Yellow             |
| Odour   | No data available. |
| Melting point/Freezing point                      | No data available. |
| Boiling point/initial boiling point/boiling range | No data available. |
| Flammability                                      | No data available. |
| Lower/Upper explosion limit                       | No data available. |
| Flash Point                                       | No data available. |
| Auto-ignition temperature                         | No data available. |
| Decomposition temperature                         | No data available. |
| рН  | No data available. |
| Kinematic viscosity                               | No data available. |
| Solubility  | No data available. |
| Partition coefficient n-octanol/water             | No data available. |
| Vapour pressure                                   | No data available. |
| Density/relative density                          | No data available. |
| Relative vapour pressure                          | No data available. |
| Particle characteristics                          | No data available. |

#### 9.2 Other information

No data available.

#### 10. Stability and reactivity

## <sup>10.1</sup> Reactivity

Stable under recommended transport or storage conditions.

## 10.2 Chemical stability

Stable under normal conditions.

## 10.3 Possibility of hazardous reactions

#### Hazardous reactions

Decomposition may occur on exposure to conditions or materials listed below. Hazardous reactions will not occur under normal transport or storage conditions.

## <sup>10.4</sup> Conditions to avoid

Heat.

## <sup>10.5</sup> Incompatible materials

Materials to avoid

Strong acids. Strong oxidising agents.

## 11. Toxicological information

#### 11.1 Information on toxicological effects

## a) Acute toxicity No data available.

- b) Skin corrosion/irritation No data available.
- c) Serious eye damage/irritation No data available.

This product does not require a classification for transport.

#### 15. Regulatory information

#### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

This Safety Data Sheet is prepared in accordance with Commission Regulation (EC) 1907/2006, amended by Commission Regulation (EU) 2020/787.

#### Authorisations/Restrictions

| Regulation (EC) 1907/2006, REACH, Annex XIV list of substances subject to<br>authorisation:  | No data available.         |
|--|----------------------------|
| Regulation (EC) 1907/2006, REACH, Annex XVII restrictions on the manufacture, placing on the market and use of certain dangerous substances: | 04 Aug 2016, Entry No.: 65 |
| Regulation (EC) 1005/2009 on substances that deplete the ozone layer:  | No data available.         |
| Regulation (EC) 850/2004 on persistent organic pollutants, amended by (EU) No 2019/1021:   | No data available.         |

#### 15.2 Chemical safety assessment

A chemical safety assessment has not been carried out for the substance or the mixture by the supplier.
