

Product Datasheet

GW6725 - Ac-Ala-Asn-Trp-AMC

Product Details

Product Name : Ac-Ala-Asn-Trp-AMC
Glentham Code : GW6725
CAS Number : 2357123-49-8

Structure

Molecular Weight : 588.61
Molecular Formula : $C_{30}H_{32}N_6O_7$

Storage

Recommended storage temperature: -20°C.

Hazards and Transport

Not classified as hazardous under CLP.
Not classified as dangerous for transport.

Glentham Product Specification

Physical Description : Lyophilised powder or solid
Identification (MS) : To conform to standard
Purity : $\geq 97.0\%$
Version : v1.0

About Ac-Ala-Asn-Trp-AMC

No further details on record.
