

## Product Specification

|               |                                         |
|---------------|-----------------------------------------|
| Product Name  | Activated carbon, powder 300-500 micron |
| Glentham Code | GX1528                                  |
| CAS Number    | 7440-44-0                               |

|                   |       |
|-------------------|-------|
| Molecular Weight  | 12.01 |
| Molecular Formula | C     |
| Storage Temp.     | +20°C |

Glentham  
LIFE SCIENCES

C

| Property             | Specification             |
|----------------------|---------------------------|
| Physical Description | Black powder              |
| Particle Size        | 300 - 500 micron: ≥ 70.0% |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2023-12-21 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
