

## Product Specification

|               |                              |
|---------------|------------------------------|
| Product Name  | 2-Mercapto-N-methylbenzamide |
| Glentham Code | GX3406                       |
| CAS Number    | 20054-45-9                   |

|                   |                                   |
|-------------------|-----------------------------------|
| Molecular Weight  | 167.231                           |
| Molecular Formula | C <sub>8</sub> H <sub>9</sub> NOS |
| Storage Temp.     | +20°C                             |

| Property             | Specification            |
|----------------------|--------------------------|
| Physical Description | White to off-white solid |
| Assay                | ≥ 95.0%                  |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2015-01-16 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
