

## Product Specification

|                |                         |
|----------------|-------------------------|
| Product Name   | Decabromodiphenyl ether |
| Glenthams Code | GX3630                  |
| CAS Number     | 1163-19-5               |
| EINECS         | 214-604-9               |
| MDL Number     | MFCD00000059            |

|                   |                                    |
|-------------------|------------------------------------|
| Molecular Weight  | 959.17                             |
| Molecular Formula | C <sub>12</sub> Br <sub>10</sub> O |
| Storage Temp.     | +20°C                              |

| Property              | Specification                                         |
|-----------------------|-------------------------------------------------------|
| Physical Description  | White to off-white or light yellow crystalline powder |
| Purity (GC)           | ≥ 95.0%                                               |
| Specification Version | - v1.0                                                |
| Date Created          | - 2017-05-19                                          |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
