

## Product Specification

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Product Name      | Perrhenic acid, solution<br>(Hydroxotrioxorhenium(VII) solution) |
| Glentham Code     | GX3680                                                           |
| CAS Number        | 13768-11-1                                                       |
| Molecular Weight  | 251.21                                                           |
| Molecular Formula | HReO <sub>4</sub>                                                |
| Storage Temp.     | +20°C                                                            |

| Property             | Specification               |
|----------------------|-----------------------------|
| Physical Description | Colourless to yellow liquid |
| Rhenium (Re)         | 40.0 - 60.0 %               |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2021-04-19 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
