

Product Specification

| | |
|-------------------|---------------------------------------|
| Product Name | Lutetium chloride hydrate, 99.9% |
| Glenthams Code | GX3720 |
| CAS Number | 15230-79-2 |
| Molecular Weight | 281.32 |
| Molecular Formula | LuCl ₃ · xH ₂ O |
| Storage Temp. | +20°C |

| Property | Specification |
|-----------------------|--|
| Physical Description | Colourless to white powder or crystals |
| Purity (REO basis) | ≥ 99.9% |
| Specification Version | - v1.0 |
| Date Created | - 2023-05-16 |
