

## Product Specification

|               |                      |
|---------------|----------------------|
| Product Name  | 1H-Indole-2-methanol |
| Glentham Code | GX4171               |
| CAS Number    | 24621-70-3           |

|                   |                                  |
|-------------------|----------------------------------|
| Molecular Weight  | 147.17                           |
| Molecular Formula | C <sub>9</sub> H <sub>9</sub> NO |
| Storage Temp.     | +20°C                            |

| Property             | Specification                                   |
|----------------------|-------------------------------------------------|
| Physical Description | White to light yellow or tan crystalline powder |
| Melting Point        | 72 - 78 °C                                      |
| Assay                | ≥ 97.0%                                         |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2020-01-28 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
