

## Product Specification

|               |                                     |
|---------------|-------------------------------------|
| Product Name  | 3-(Triethoxysilyl)propyl isocyanate |
| Glentham Code | GX8185                              |
| CAS Number    | 24801-88-5                          |
| EINECS        | 246-467-6                           |
| MDL Number    | MFCD00051459                        |

|                   |                      |
|-------------------|----------------------|
| Molecular Weight  | 247.37               |
| Molecular Formula | $C_{10}H_{21}NO_4Si$ |
| Storage Temp.     | +20°C                |

| Property             | Specification                      |
|----------------------|------------------------------------|
| Physical Description | Clear, colourless to yellow liquid |
| Identification (IR)  | To conform to standard             |
| Purity (GC)          | ≥ 94.0%                            |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2024-02-07 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
