

## Product Specification

|               |                            |
|---------------|----------------------------|
| Product Name  | cis-2,6-Dimethylmorpholine |
| Glentham Code | GX8836                     |
| CAS Number    | 6485-55-8                  |
| MDL Number    | MFCD00078428               |

|                   |                                   |
|-------------------|-----------------------------------|
| Molecular Weight  | 115.18                            |
| Molecular Formula | C <sub>6</sub> H <sub>13</sub> NO |
| Storage Temp.     | +20°C                             |

| Property             | Specification                     |
|----------------------|-----------------------------------|
| Physical Description | Colourless to light yellow liquid |
| Assay                | ≥ 97.0%                           |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2014-02-17 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
