

## Certificate of Analysis

|               |                                             |
|---------------|---------------------------------------------|
| Product Name  | 2-Bromo-1-(4-fluorophenyl)-2-phenylethanone |
| Glentham Code | GX0684                                      |
| CAS Number    | 88675-31-4                                  |
| Batch Number  | 071CJB                                      |

|                   |                                      |
|-------------------|--------------------------------------|
| Molecular Weight  | 293.13                               |
| Molecular Formula | C <sub>14</sub> H <sub>10</sub> BrFO |
| Storage Temp.     | +4°C                                 |

| Property             | Specification          | Batch 071CJB |
|----------------------|------------------------|--------------|
| Physical Description | Yellow to brown liquid | Brown liquid |
| Purity               | ≥ 95.0%                | 98.29%       |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2020-08-27 |
| Re-Test Date          | 2028-07-16 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
