

## Certificate of Analysis

|               |                                          |
|---------------|------------------------------------------|
| Product Name  | Sodium diethyldithiocarbamate trihydrate |
| Glentham Code | GK2071                                   |
| CAS Number    | 20624-25-3                               |
| EINECS        | 205-710-6                                |
| MDL Number    | MFCD00150617                             |
| PubChem SID   | 310280088                                |
| Batch Number  | 157IAH                                   |

|                   |                               |
|-------------------|-------------------------------|
| Molecular Weight  | 225.31                        |
| Molecular Formula | $C_5H_{10}NNaS_2 \cdot 3H_2O$ |
| Storage Temp.     | +20°C                         |

| Property             | Specification                         | Batch 157IAH             |
|----------------------|---------------------------------------|--------------------------|
| Physical Description | White to off-white crystalline powder | White crystalline powder |
| Water                | 20.0 - 28.0 %                         | 24.4%                    |
| Assay                | 98.0 - 102.0 % (dried basis)          | 100.4%                   |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2022-09-06 |
| Re-Test Date          | 2033-05-01 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
