

## Certificate of Analysis

|                   |                                   |
|-------------------|-----------------------------------|
| Product Name      | Potassium hexafluorotitanate, 98% |
| Glenthams Code    | GX3355                            |
| CAS Number        | 16919-27-0                        |
| EINECS            | 240-969-9                         |
| Batch Number      | 181HZV                            |
| Molecular Weight  | 240.10                            |
| Molecular Formula | $K_2[TiF_6]$                      |
| Storage Temp.     | +20°C                             |

| Property             | Specification | Batch 181HZV |
|----------------------|---------------|--------------|
| Physical Description | White powder  | White powder |
| Titanium (Ti)        | 19.2 - 20.7 % | 19.7%        |
| Assay                | ≥ 98.0%       | 98.81%       |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2021-03-22 |
| Re-Test Date          | 2029-03-15 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
