

## Certificate of Analysis

|               |                               |
|---------------|-------------------------------|
| Product Name  | 2-Vanillylamine hydrochloride |
| Glentham Code | GK3424                        |
| CAS Number    | 7149-10-2                     |
| EINECS        | 230-468-3                     |
| MDL Number    | MFCD00012864                  |
| PubChem SID   | 310281658                     |
| Batch Number  | 295JYR                        |

|                   |                           |
|-------------------|---------------------------|
| Molecular Weight  | 189.64                    |
| Molecular Formula | $C_8H_{11}NO_2 \cdot HCl$ |
| Storage Temp.     | +20°C                     |

| Property                | Specification                           | Batch 295JYR               |
|-------------------------|-----------------------------------------|----------------------------|
| Physical Description    | White to off-white or pale beige powder | Conforms                   |
| Solubility (1% in DMSO) | Clear, colourless solution              | Clear, colourless solution |
| Melting Point           | 210 - 220 °C (dec.)                     | 214 °C                     |
| Assay                   | ≥ 98.0%                                 | 99.5%                      |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2019-01-01 |
| Re-Test Date          | 2026-03-25 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
