

## Certificate of Analysis

|                   |                                           |
|-------------------|-------------------------------------------|
| Product Name      | Lithium acetylide ethylenediamine complex |
| Glentham Code     | GK3769                                    |
| CAS Number        | 6867-30-7                                 |
| EINECS            | 229-967-9                                 |
| MDL Number        | MFCD00013183                              |
| PubChem SID       | 310275833                                 |
| Batch Number      | 467QQA                                    |
| Molecular Weight  | 92.07                                     |
| Molecular Formula | $C_4H_9LiN_2$                             |
| Storage Temp.     | +4°C                                      |

| Property              | Specification                          | Batch 467QQA                  |
|-----------------------|----------------------------------------|-------------------------------|
| Physical Description  | Colourless to yellow or brown crystals | Pale brown crystalline powder |
| Assay                 | ≥ 90%                                  | 95%                           |
| Specification Version | v1.0                                   |                               |
| Manufacture Date      | 2018-12-10                             |                               |
| Re-Test Date          | 2022-12-11                             |                               |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
