

## Certificate of Analysis

|                   |                                                                              |
|-------------------|------------------------------------------------------------------------------|
| Product Name      | Sultamicillin                                                                |
| Glentham Code     | GP8704                                                                       |
| CAS Number        | 76497-13-7                                                                   |
| PubChem SID       | 310280428                                                                    |
| Batch Number      | 468PQC                                                                       |
| Molecular Weight  | 594.66                                                                       |
| Molecular Formula | C <sub>25</sub> H <sub>30</sub> N <sub>4</sub> O <sub>9</sub> S <sub>2</sub> |
| Storage Temp.     | -20°C                                                                        |

| Property              | Specification                            | Batch 468PQC |
|-----------------------|------------------------------------------|--------------|
| Physical Description  | White or almost white crystalline powder | White powder |
| Assay                 | 96.0 - 102.0 %                           | Conforms     |
| Specification Version | v1.0                                     |              |
| Manufacture Date      | 2019-08-27                               |              |
| Re-Test Date          | 2027-08-23                               |              |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
