

## Certificate of Analysis

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Product Name      | Sulfanilic acid, 98%, tech.                     |
| Glentham Code     | GK6835                                          |
| CAS Number        | 121-57-3                                        |
| EINECS            | 204-482-5                                       |
| MDL Number        | MFCD00007886                                    |
| PubChem SID       | 310280393                                       |
| Batch Number      | 470IKG                                          |
| Molecular Weight  | 173.19                                          |
| Molecular Formula | C <sub>6</sub> H <sub>7</sub> NO <sub>3</sub> S |
| Storage Temp.     | +20°C                                           |

| Property             | Specification                        | Batch 470IKG      |
|----------------------|--------------------------------------|-------------------|
| Physical Description | Off-white, grey or pale brown powder | Light-grey powder |
| Loss on Drying       | ≤ 2.0%                               | 0.4%              |
| Assay (Titration)    | 98.0 - 102.0 %                       | 100.5%            |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.3       |
| Manufacture Date      | 2015-04-09 |
| Re-Test Date          | 2025-04-09 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
