

## Certificate of Analysis

|                   |                                                        |
|-------------------|--------------------------------------------------------|
| Product Name      | Potassium hexachloroiridate(IV); 99.95% (metals basis) |
| Glentham Code     | GX1058                                                 |
| CAS Number        | 16920-56-2                                             |
| Batch Number      | 742ENS                                                 |
| Molecular Weight  | 483.12                                                 |
| Molecular Formula | $K_2[IrCl_6]$                                          |
| Storage Temp.     | +20°C                                                  |

| Property                    | Specification         | Batch 742ENS |
|-----------------------------|-----------------------|--------------|
| Physical Description        | Brown to black powder | Conforms     |
| Iridium (Ir)                | 38.0 - 41.6 %         | 39.98%       |
| Purity (Trace Metals Basis) | ≥ 99.95%              | Conforms     |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2023-07-26 |
| Re-Test Date          | 2030-06-29 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
