

## Certificate of Analysis

|                |                     |
|----------------|---------------------|
| Product Name   | 4"-Aminoacetanilide |
| Glenthams Code | GK2809              |
| CAS Number     | 122-80-5            |
| EINECS         | 204-576-6           |
| MDL Number     | MFCD00007853        |
| PubChem SID    | 310266486           |
| Batch Number   | 820GPG              |

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Molecular Weight  | 150.18                                          |
| Molecular Formula | C <sub>8</sub> H <sub>10</sub> N <sub>2</sub> O |
| Storage Temp.     | +20°C                                           |

| Property             | Specification                           | Batch 820GPG      |
|----------------------|-----------------------------------------|-------------------|
| Physical Description | Pale brown to brown or red-brown powder | Pale brown powder |
| Melting Point        | 164 - 168 °C                            | 165.5 °C          |
| Purity (HPLC)        | ≥ 98.0%                                 | 100.0%            |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2019-12-05 |
| Re-Test Date          | 2028-12-04 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
