

## Certificate of Analysis

|               |                      |
|---------------|----------------------|
| Product Name  | Voriconazole N-oxide |
| Glentham Code | GA0539               |
| CAS Number    | 618109-05-0          |
| PubChem SID   | 310281732            |
| Batch Number  | 018ILZ               |

|                   |                                                                              |
|-------------------|------------------------------------------------------------------------------|
| Molecular Weight  | 365.31                                                                       |
| Molecular Formula | C <sub>16</sub> H <sub>14</sub> F <sub>3</sub> N <sub>5</sub> O <sub>2</sub> |
| Storage Temp.     | -20°C                                                                        |

| Property                | Specification                      | Batch 018ILZ |
|-------------------------|------------------------------------|--------------|
| Physical Description    | White to off-white powder or solid | White solid  |
| Identification (1H-NMR) | To conform to structure            | Conforms     |
| Purity (TLC)            | ≥ 95%                              | 98.1%        |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2018-12-03 |
| Re-Test Date          | 2026-07-08 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
