

Certificate of Analysis

|                |                                                        |
|----------------|--------------------------------------------------------|
| Product Name   | STE Buffer, Sodium chloride-Tris-EDTA solution, pH 8.0 |
| Glenthams Code | GB3262                                                 |
| CAS Number     | -                                                      |
| Batch Number   | 270NIE                                                 |

|                   |       |
|-------------------|-------|
| Molecular Weight  |       |
| Molecular Formula |       |
| Storage Temp.     | +20°C |

| Property             | Specification                         | Batch 270NIE             |
|----------------------|---------------------------------------|--------------------------|
| Physical Description | Clear, colourless liquid              | Clear, colourless liquid |
| pH                   | 7.9 - 8.1                             | 8.03                     |
| Concentration        | NaCl: 0.1 M, TRIS: 0.01 M, EDTA: 1 mM | Conforms                 |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2023-03-06 |
| Re-Test Date          | 2026-02-20 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
