

## Certificate of Analysis

|                   |                                  |
|-------------------|----------------------------------|
| Product Name      | N-Ethyl-p-menthane-3-carboxamide |
| Glentham Code     | GK0313                           |
| CAS Number        | 39711-79-0                       |
| EINECS            | 254-599-0                        |
| PubChem SID       | 310272927                        |
| Batch Number      | 587HVL                           |
| Molecular Weight  | 211.34                           |
| Molecular Formula | $C_{13}H_{25}NO$                 |
| Storage Temp.     | +20°C                            |

| Property                | Specification                            | Batch 587HVL               |
|-------------------------|------------------------------------------|----------------------------|
| Physical Description    | White to almost white powder or crystals | White crystalline powder   |
| Solubility (2% in DMSO) | Clear, colourless solution               | Clear, colourless solution |
| Melting Point           | 91.0 - 102.0 °C                          | 98.5 - 99.6 °C             |
| Assay                   | ≥ 98.0%                                  | 99.5%                      |
| Specification Version   | v1.0                                     |                            |
| Manufacture Date        | 2021-10-12                               |                            |
| Re-Test Date            | 2030-12-08                               |                            |
