

## Certificate of Analysis

|                |                         |
|----------------|-------------------------|
| Product Name   | 3-Amino-2-nitropyridine |
| Glenthams Code | GK8153                  |
| CAS Number     | 13269-19-7              |
| EINECS         | 236-260-9               |
| MDL Number     | MFCD00044102            |
| PubChem SID    | 310266472               |
| Batch Number   | 158IQG                  |

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Molecular Weight  | 139.11                                                      |
| Molecular Formula | C <sub>5</sub> H <sub>5</sub> N <sub>3</sub> O <sub>2</sub> |
| Storage Temp.     | +20°C                                                       |

| Property             | Specification                   | Batch 158IQG        |
|----------------------|---------------------------------|---------------------|
| Physical Description | Yellow to brown powder or solid | Yellow-brown powder |
| Assay (GC)           | ≥ 98.0%                         | 98.8%               |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2015-06-06 |
| Re-Test Date          | 2020-07-28 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
