

## Certificate of Analysis

|                |                                               |
|----------------|-----------------------------------------------|
| Product Name   | (S)-3-(Fmoc-amino)-4-(2-naphthyl)butyric acid |
| Glentham Code  | GM6826                                        |
| CAS Number     | 269398-91-6                                   |
| PubChem SID    | 310273484                                     |
| Additional CAS | 270063-40-6                                   |
| Batch Number   | 605LQD                                        |

|                   |                    |
|-------------------|--------------------|
| Molecular Weight  | 451.51             |
| Molecular Formula | $C_{29}H_{25}NO_4$ |
| Storage Temp.     | +4°C               |

| Property              | Specification             | Batch 605LQD        |
|-----------------------|---------------------------|---------------------|
| Physical Description  | White to off-white powder | Almost white powder |
| Assay                 | ≥ 98.0%                   | 98.2%               |
| Specification Version | v1.0                      |                     |
| Manufacture Date      | 2022-11-06                |                     |
| Re-Test Date          | 2029-12-05                |                     |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
