

## Certificate of Analysis

|               |                                    |
|---------------|------------------------------------|
| Product Name  | Sodium 4-aminosalicylate dihydrate |
| Glentham Code | GM7502                             |
| CAS Number    | 6018-19-5                          |
| EINECS        | 205-091-2                          |
| MDL Number    | MFCD00151044                       |
| PubChem SID   | 310280066                          |
| Batch Number  | 387VVV                             |

|                   |                            |
|-------------------|----------------------------|
| Molecular Weight  | 211.14                     |
| Molecular Formula | $C_7H_6NNaO_3 \cdot 2H_2O$ |
| Storage Temp.     | +20°C                      |

| Property                 | Specification                                             | Batch 387VVV               |
|--------------------------|-----------------------------------------------------------|----------------------------|
| Physical Description     | White, off-white or faint beige powder                    | Off-white powder           |
| Solubility (1% in water) | Clear, colourless to pale yellow or yellow-brown solution | Clear, colourless solution |
| Loss on Drying           | 15.0 - 19.0 %                                             | 16.7%                      |
| Assay                    | ≥ 98.0%                                                   | 99.9%                      |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2019-03-01 |
| Re-Test Date          | 2025-02-26 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
