

Certificate of Analysis

|                   |                                             |
|-------------------|---------------------------------------------|
| Product Name      | Boron nitride Nanopowder, 99.0% [APS 70 nm] |
| Glenthams Code    | GX5307                                      |
| CAS Number        | 10043-11-5                                  |
| Batch Number      | 918DYT                                      |
| Molecular Weight  | 24.82                                       |
| Molecular Formula | BN                                          |
| Storage Temp.     | +20°C                                       |

|                      |                |              |
|----------------------|----------------|--------------|
| Property             | Specification  | Batch 918DYT |
| Physical Description | White powder   | White powder |
| Assay                | ≥ 99.0%        | ≥ 99.0%      |
| Particle Size        | 70nm (average) | Conforms     |
| Particle Morphology  | Hexagonal      | Hexagonal    |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2023-06-02 |
| Re-Test Date          | 2029-05-19 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
