

## Certificate of Analysis

|                   |                                           |
|-------------------|-------------------------------------------|
| Product Name      | Chromium(III) chloride hexahydrate        |
| Glenthams Code    | GX7557                                    |
| CAS Number        | 10060-12-5                                |
| EINECS            | 233-038-3                                 |
| MDL Number        | MFCD00149660                              |
| Batch Number      | 350IVL                                    |
| Molecular Weight  | 266.45                                    |
| Molecular Formula | $\text{CrCl}_3 \cdot 6\text{H}_2\text{O}$ |
| Storage Temp.     | +20°C                                     |

| Property                    | Specification                                                | Batch 350IVL                  |
|-----------------------------|--------------------------------------------------------------|-------------------------------|
| Physical Description        | Green to dark green crystalline powder                       | Dark green crystalline powder |
| Water Insoluble Matter      | $\leq 0.05\%$                                                | Conforms                      |
| Sulphate (SO <sub>4</sub> ) | $\leq 0.05\%$                                                | 0.002%                        |
| Assay                       | 97.5 - 102.5 % ( $\text{CrCl}_3 \cdot 6\text{H}_2\text{O}$ ) | 98.4%                         |
| Specification Version       | v1.0                                                         |                               |
| Manufacture Date            | 2022-06-10                                                   |                               |
| Re-Test Date                | 2030-12-06                                                   |                               |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
