

## Product Datasheet

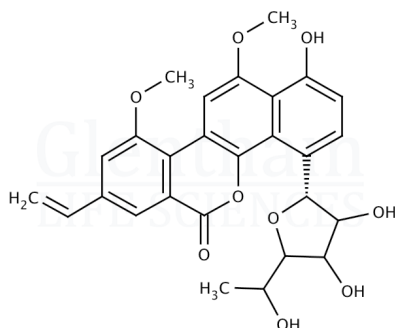

### GA3547 - Gilvocarcin V

#### Product Details

|                    |                             |
|--------------------|-----------------------------|
| Product Name       | Gilvocarcin V               |
| Glentham Code      | GA3547                      |
| CAS Number         | 77879-90-4                  |
| PubChem SID        | 310274105                   |
| Related Categories | Antibiotics, Antimicrobials |

#### Structure

|                   |                                                  |
|-------------------|--------------------------------------------------|
| Molecular Weight  | : 494.5                                          |
| Molecular Formula | : C <sub>27</sub> H <sub>26</sub> O <sub>9</sub> |

#### Pictograms

|                            |                       |
|----------------------------|-----------------------|
| UN Number, Class, PG (RID) | UN3462 - 6.1 - PG III |
|----------------------------|-----------------------|

#### Glentham Product Specification

|                         |                           |
|-------------------------|---------------------------|
| Physical Description    | : Yellow solid or powder  |
| Identification (1H-NMR) | : To conform to structure |
| Solubility (1% in DMSO) | : Clear solution          |
| Purity (HPLC)           | : ≥ 98.0%                 |
| Version                 | : v1.0                    |

#### About Gilvocarcin V

No further details on record.

#### Storage

Recommended storage temperature: -20°C.

#### Hazards and Transport

|                     |                                                                                    |
|---------------------|------------------------------------------------------------------------------------|
| CLP Classification  | Carc. 2, Eye Irr. 2A, Acute Tox. 2, Acute Tox. 2, Acute Tox. 1                     |
| Signal Word         | Danger                                                                             |
| Hazard Codes        | H351, H319, H330, H300, H310                                                       |
| Precautionary Codes | P302+P350, P304+P340, P305+P351+P338, P308+P313, P310, P260, P262, P301+P310, P270 |
