

## Product Specification

|                |                 |
|----------------|-----------------|
| Product Name   | Ginsenoside Rb3 |
| Glenthams Code | GC9541          |
| CAS Number     | 68406-26-8      |
| Numéro MDL     | MFCD10566396    |

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Molecular Weight  | 1079.27                                         |
| Molecular Formula | C <sub>53</sub> H <sub>90</sub> O <sub>22</sub> |
| Storage Temp.     | +4°C                                            |

| Property             | Specification                         |
|----------------------|---------------------------------------|
| Physical Description | White to off-white crystalline powder |
| Assay                | ≥ 98.0%                               |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2020-06-26 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
