

## Product Datasheet

### GE3411 - 2''-Deoxyuridine-5''-monophosphate disodium salt

#### Product Details

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Product Name       | 2''-Deoxyuridine-5''-monophosphate disodium salt |
| Glenthams Code     | GE3411                                           |
| CAS Number         | 42155-08-8                                       |
| EINECS             | 255-687-1                                        |
| Numéro MDL         | MFCD00065282                                     |
| PubChem SID        | 310271161                                        |
| Related Categories | Biochemicals, Nucleosides & Nucleotides          |

#### Structure

|                   |                                                                                  |
|-------------------|----------------------------------------------------------------------------------|
| Molecular Weight  | : 352.15                                                                         |
| Molecular Formula | : C <sub>9</sub> H <sub>11</sub> N <sub>2</sub> Na <sub>2</sub> O <sub>8</sub> P |

#### Storage

Recommended storage temperature: -20°C.

#### Hazards and Transport

Not classified as dangerous for transport.

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| CLP Classification | Skin Irr. 2, Eye Irr. 2A,<br>STOT SE 3, STOT SE 3,<br>Acute Tox. 4 |
|--------------------|--------------------------------------------------------------------|

#### Glenthams Product Specification

|                          |                              |
|--------------------------|------------------------------|
| Physical Description     | : White powder               |
| Solubility (5% in water) | : Clear, colourless solution |
| Purity                   | : ≥ 98.0% (anhydrous basis)  |
| Version                  | : v1.0                       |

#### About 2''-Deoxyuridine-5''-monophosphate disodium salt
