

## Product Datasheet

### GK4143 - Tetra-n-butylammonium tetrafluoroborate

#### Product Details

|                    |                                            |
|--------------------|--------------------------------------------|
| Product Name       | Tetra-n-butylammonium<br>tetrafluoroborate |
| Glentham Code      | GK4143                                     |
| CAS Number         | 429-42-5                                   |
| EINECS             | 207-058-8                                  |
| Numéro MDL         | MFCDD00011634                              |
| PubChem SID        | 310277608                                  |
| Related Categories | Analytical Reagents                        |

#### Structure

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Molecular Weight  | : 329.27                                            |
| Molecular Formula | : C <sub>16</sub> H <sub>36</sub> BF <sub>4</sub> N |

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

|                                            |                                                                    |
|--------------------------------------------|--------------------------------------------------------------------|
| Not classified as dangerous for transport. |                                                                    |
| CLP Classification                         | Skin Irr. 2, Eye Irr. 2A,<br>STOT SE 3, STOT SE 3,<br>Acute Tox. 4 |
| Signal Word                                | Attention                                                          |

#### Hazard Codes

H315, H319, H335, H336,  
H302

#### Precautionary Codes

P280, P302+P352,  
P305+P351+P338, P261,  
P301+P312

#### Pictograms

#### Glentham Product Specification

|                      |                            |
|----------------------|----------------------------|
| Physical Description | : White crystalline powder |
| Water                | : ≤ 1.0%                   |
| Assay                | : ≥ 98.0%                  |
| Version              | : v1.0                     |
