

## Product Specification

|                    |                                  |
|--------------------|----------------------------------|
| Product Name       | Cefotiam dihydrochloride hydrate |
| Glentham Code      | GL6662                           |
| CAS Number         | 66309-69-1                       |
| Numéro MDL         | MFCD09878605                     |
| CAS supplémentaire | 61622-34-2                       |

|                   |                                                |
|-------------------|------------------------------------------------|
| Molecular Weight  | 598.55 (anhydrous)                             |
| Molecular Formula | $C_{18}H_{23}N_9O_4S_3 \cdot 2HCl \cdot xH_2O$ |
| Storage Temp.     | +4°C                                           |

| Property             | Specification                            |
|----------------------|------------------------------------------|
| Physical Description | White, off-white to tan or yellow powder |
| Assay                | ≥ 98.0%                                  |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2018-05-25 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
