

## Product Datasheet

### GP5887 - Adefovir

UN Number, Class, PG UN2811 - 6.1 - PG III  
(RID)

#### Product Details

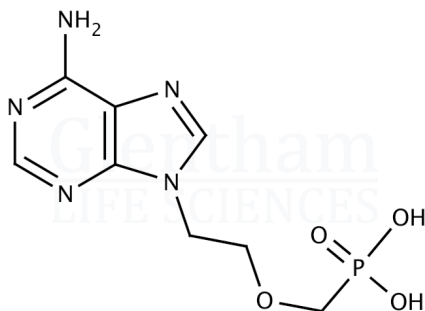

|                    |                                                   |
|--------------------|---------------------------------------------------|
| Product Name       | Adefovir                                          |
| Glentham Code      | GP5887                                            |
| CAS Number         | 106941-25-7                                       |
| Numéro MDL         | MFCD00866943                                      |
| PubChem SID        | 310265843                                         |
| Related Categories | APIs, Biochemicals,<br>Antimicrobials, Antivirals |

#### Glentham Product Specification

|                      |                             |
|----------------------|-----------------------------|
| Physical Description | : White to off-white powder |
| Loss on Drying       | : ≤ 1.0%                    |
| Total Impurities     | : ≤ 1.0%                    |
| Assay                | : ≥ 98.5%                   |
| Version              | : v1.0                      |

#### Structure

Molecular Weight : 273.19  
Molecular Formula :  $C_8H_{12}N_5O_4P$

#### About Adefovir

No further details on record.

#### Storage

Recommended storage temperature: -20°C.

#### Hazards and Transport

|                     |                                                                                     |
|---------------------|-------------------------------------------------------------------------------------|
| CLP Classification  | Acute Tox. 3                                                                        |
| Signal Word         | Danger                                                                              |
| Hazard Codes        | H301                                                                                |
| Precautionary Codes | P280, P301+P310                                                                     |
| Pictograms          |  |
