

## Product Datasheet

### GP9248 - Acitretin

#### Product Details

|                    |                    |
|--------------------|--------------------|
| Product Name       | Acitretin          |
| Glenthams Code     | GP9248             |
| CAS Number         | 55079-83-9         |
| EINECS             | 259-474-4          |
| PubChem SID        | 310265789          |
| Numéro MDL         | MFCD00866632       |
| Related Categories | APIs, Biochemicals |

#### Structure

|                   |                                                  |
|-------------------|--------------------------------------------------|
| Molecular Weight  | : 326.43                                         |
| Molecular Formula | : C <sub>21</sub> H <sub>26</sub> O <sub>3</sub> |

#### Pictograms

UN Number, Class, PG  
(RID)

UN3077 - 9 - PG III

#### Glenthams Product Specification

|                      |                                             |
|----------------------|---------------------------------------------|
| Physical Description | : Yellow or green-yellow crystalline powder |
| Total Impurities     | : ≤ 1.0%                                    |
| Water                | : ≤ 1.0%                                    |
| Assay                | : ≥ 98.0% (dried basis)                     |
| Version              | : v1.0                                      |

#### About Acitretin

No further details on record.

#### Storage

Recommended storage temperature: +4°C.

#### Hazards and Transport

|                     |                                                                        |
|---------------------|------------------------------------------------------------------------|
| CLP Classification  | Aquatic Chronic 1, Repr. 1B, Skin Irr. 2, Eye Irr. 2A, Aquatic Acute 1 |
| Signal Word         | Danger                                                                 |
| Hazard Codes        | H410, H360, H315, H319, H400                                           |
| Precautionary Codes | P305+P351+P338, P273, P308+P313                                        |
