

## Product Datasheet

### GS1038 - n-Hexane 95%

#### Product Details

|                    |              |
|--------------------|--------------|
| Product Name       | n-Hexane 95% |
| Glenthams Code     | GS1038       |
| CAS Number         | 110-54-3     |
| EINECS             | 203-777-6    |
| Related Categories | Solvents     |

#### Structure

|                   |                                  |
|-------------------|----------------------------------|
| Molecular Weight  | : 86.18                          |
| Molecular Formula | : C <sub>6</sub> H <sub>14</sub> |

#### Pictograms

UN Number, Class, PG (RID) UN1208 - 3 - PG II

#### Glenthams Product Specification

|                      |                            |
|----------------------|----------------------------|
| Physical Description | : Clear, colourless liquid |
| Identification       | : GC                       |
| Residue on Ignition  | : ≤ 0.001%                 |
| Water                | : ≤ 0.02%                  |
| Assay (n-isomer)     | : ≥ 95.0%                  |
| Assay (all isomers)  | : ≥ 99.5%                  |
| Version              | : v1.0                     |

#### About n-Hexane 95%

No further details on record.

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

|                     |                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------|
| CLP Classification  | Aquatic Chronic 2, Skin Irr. 2, Repr. 2, Flam. Liq. 2, STOT SE 3, STOT SE 3, STOT RE 2, Asp. Tox. 1 |
| Signal Word         | Danger                                                                                              |
| Hazard Codes        | H411, H315, H361, H225, H335, H336, H373, H304                                                      |
| Precautionary Codes | P301+P330+P331, P273, P302+P352, P210, P308+P313                                                    |
