

## Product Specification

|               |                            |
|---------------|----------------------------|
| Product Name  | PARG Inhibitor PDD00017273 |
| Glentham Code | GW4388                     |
| CAS Number    | 1945950-21-9               |

|                   |                                                                              |
|-------------------|------------------------------------------------------------------------------|
| Molecular Weight  | 514.62                                                                       |
| Molecular Formula | C <sub>24</sub> H <sub>20</sub> N <sub>4</sub> O <sub>4</sub> S <sub>2</sub> |
| Storage Temp.     | -20°C                                                                        |

| Property             | Specification                   |
|----------------------|---------------------------------|
| Physical Description | White to yellow or beige powder |
| Identification (NMR) | To conform to structure         |
| Purity (HPLC)        | ≥ 98.0%                         |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2023-11-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
