

Product Specification

|                   |                                      |
|-------------------|--------------------------------------|
| Product Name      | Molybdenum Rod 1 mm diameter, 99.95% |
| Glenthams Code    | GX7974                               |
| CAS Number        | 7439-98-7                            |
| Molecular Weight  | 95.95                                |
| Molecular Formula | Mo                                   |
| Storage Temp.     | +20°C                                |

| Property                    | Specification    |
|-----------------------------|------------------|
| Physical Description        | Uniform grey rod |
| Purity (Trace Metals Basis) | ≥ 99.95%         |
| Specification Version       | - v1.0           |
| Date Created                | - 2024-12-13     |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
