

## Certificate of Analysis

|                    |                                                   |
|--------------------|---------------------------------------------------|
| Product Name       | Sodium 2,3-dimercaptopropanesulfonate monohydrate |
| Glentham Code      | GK7134                                            |
| CAS Number         | 207233-91-8                                       |
| EINECS             | 223-796-3                                         |
| Numéro MDL         | MFCD00149543                                      |
| CAS supplémentaire | 4076-02-2 (anhydr.)                               |
| PubChem SID        | 310280091                                         |
| Batch Number       | 469LRK                                            |
| Molecular Weight   | 228.29                                            |
| Molecular Formula  | $C_3H_7NaO_3S_3 \cdot H_2O$                       |
| Storage Temp.      | +20°C                                             |

| Property                  | Specification                            | Batch 469LRK             |
|---------------------------|------------------------------------------|--------------------------|
| Physical Description      | White to almost white powder or crystals | White crystalline powder |
| Solubility (10% in water) | Clear, colourless solution               | Conforms                 |
| Assay                     | ≥ 95.0% (dried basis)                    | 97.6%                    |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2020-10-07 |
| Re-Test Date          | 2025-09-28 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
