

## Certificate of Analysis

|                   |                                 |
|-------------------|---------------------------------|
| Product Name      | Selenous acid                   |
| Glenthams Code    | GX7134                          |
| CAS Number        | 7783-00-8                       |
| EINECS            | 231-974-7                       |
| Numéro MDL        | MFCD00011331                    |
| Batch Number      | 527WTA                          |
| Molecular Weight  | 128.97                          |
| Molecular Formula | H <sub>2</sub> SeO <sub>3</sub> |
| Storage Temp.     | +20°C                           |

| Property                 | Specification                         | Batch 527WTA                 |
|--------------------------|---------------------------------------|------------------------------|
| Physical Description     | White or off-white powder or crystals | Off-white crystalline powder |
| Solubility (5% in water) | Clear, colourless solution            | Conforms                     |
| Assay                    | 97.0 - 103.0 %                        | 98.0%                        |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2024-03-21 |
| Re-Test Date          | 2031-03-05 |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
