

## Certificate of Analysis

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Product Name      | 6-O-b-D-Galactopyranosyl-D-glucopyranose        |
| Glentham Code     | GC5322                                          |
| CAS Number        | 28447-39-4                                      |
| Numéro MDL        | MFCD15145331                                    |
| PubChem SID       | 310274018                                       |
| Batch Number      | 676SOK                                          |
| Molecular Weight  | 342.30                                          |
| Molecular Formula | C <sub>12</sub> H <sub>22</sub> O <sub>11</sub> |
| Storage Temp.     | -20°C                                           |

| Property              | Specification             | Batch 676SOK |
|-----------------------|---------------------------|--------------|
| Physical Description  | White to off-white powder | White powder |
| Purity (HPLC)         | ≥ 90.0%                   | ≥ 98%        |
| Specification Version | v1.0                      |              |
| Manufacture Date      | 2015-05-18                |              |
| Re-Test Date          | 2022-01-03                |              |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
