|                   |                                                                       |
|-------------------|-----------------------------------------------------------------------|
| Product Name      | Platinum:Iridium (70:30) wire, 0.1 mm diameter, 99.9+% (metals basis) |
| Glenthams Code    | GX2408                                                                |
| CAS Number        | 7440-06-4                                                             |
| Batch Number      | 679IMZ                                                                |
| Molecular Weight  |                                                                       |
| Molecular Formula |                                                                       |
| Storage Temp.     | +20°C                                                                 |

Pt

| Property              | Specification                | Batch 679IMZ                  |
|-----------------------|------------------------------|-------------------------------|
| Physical Description  | Uniform silver coloured wire | Uniform, silver coloured wire |
| Purity (Metals Basis) | ≥ 99.9%                      | ≥ 99.9%                       |
| Specification Version | v1.0                         |                               |
| Manufacture Date      | 2024-12-23                   |                               |
| Re-Test Date          | 2031-11-28                   |                               |

Glenthams Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glenthams.com](http://www.glenthams.com) or contact us using the details above for the current version of this document.
