## **Certificate of Analysis**

| Product Name      | Zinc Pieces max. 20 mm, 99.995+% |
|-------------------|----------------------------------|
| Glentham Code     | GX0790                           |
| CAS Number        | 7440-66-6                        |
| Batch Number      | 983CXC                           |
| Molecular Weight  | 65.39                            |
| Molecular Formula | Zn                               |
| Storage Temp.     | +20°C                            |

2027-07-30

| Property                   |            | Specification       | Batch 983CXC        |
|----------------------------|------------|---------------------|---------------------|
| Physical Description       |            | Uniform grey pieces | Uniform grey pieces |
| Purity (Trace Metals Basis | 5)         | ≥ 99.995%           | Conforms            |
| Specification Version      | v1.0       |                     |                     |
| '<br>Manufacture Date      | 2020-07-29 |                     |                     |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check www.glentham.com or contact us using the details above for the current version of this document.
